

Legendary Habitat 2025 Services & Pricing Sheet

- Hinge cutting, Timber Stand Improvement, Bedding areas, travel corridors: \$125/ hr.
 - Small Scale Logging/Select Cuts. (If you have some timber value, but not enough to get a logger in to cut, I may be able to log that timber out and help pay for your habitat work at the same time. Most Logging Quotes will be dependent on timber volume, quality, and hauling distance.)
 - Land Clearing, Travel Corridors, Food Plots, Access trails/roads: \$150/hr
 - Tree planting, Miscanthus planting, tree trimming, hanging tree stands, creating mock scrapes, trimming shooting lanes: \$75/hr
 - Food Plot Installation (planting):
- If Colin provides all inputs (seed, fertilizer, lime, tillage, seeding, etc.) \$2,000/acre for both spring and fall combined.
- \$1000/acre/season
- If the customer provides all inputs and Colin does the installation: \$750/acre each planting
- Seeding via tractor/implement or broadcast: \$450/acre each planting

Standard Consulting:

Properties under 40 acres start at \$1,000 based on the complexity of the property.

Properties over 40 acres start at \$1500 based on the complexity of the property.

- Advanced Consulting Service (In person Consulting): \$2500-\$3500**

***For properties over 500 acres contact for a custom quote.**

If your location is more than 30 miles from our business address, travel cost is \$95c/mile.

***All prices are subject to change due to possible fluctuation of materials and supplies.**
